Spartan Update

Empowering a Community of Accomplished and Caring Citizens!

Principal's News

With the end of the school year nearing, we want to thank everyone for your continued support of our students, staff, and school. SHS has had some exciting learning initiatives undertaken this semester which include Community Work Day, Grease, New York band trip, Community Greenhouse, Alberta Zone High School One Act Play Festival, Awards, Festival of Music Performance, Grade 9 Orientation and school athletics just to name a few.

Our diploma exam results in January were excellent. Last year we were above the provincial average in almost all categories. We were 10% above the provincial average in Math. We are all continuing to work very hard to continue to grow and improve as a school. Good luck to all students writing in June.

Graduation was on Saturday, May 27th. We were proud to announce Graeme Ludlam as Valedictorian for the Class of 2023.
